Cookie Policy

This policy explains how All Seasons Scaffolding Ltd uses cookies on our website and what choices you have.

Last updated: April 2026 · All Seasons Scaffolding Ltd

What Are Cookies?

Cookies are small text files placed on your device — computer, tablet or mobile — when you visit a website. They are widely used to make websites work efficiently and to provide information to the website owner.

Cookies do not harm your device and do not contain personally identifiable information on their own. They allow a website to recognise your device on return visits and remember certain preferences or actions.

How We Use Cookies

All Seasons Scaffolding Ltd uses cookies solely to understand how visitors use our website. This helps us improve your experience and ensure our site works correctly. We do not use cookies to display advertising or to sell your data to any third party.

We only use Google Analytics cookies. No marketing or advertising cookies are set on this website.

Google Analytics & Your Data

We use Google Analytics, a web analytics service provided by Google LLC. Google Analytics uses cookies to help us understand how users interact with our website. The information generated (including your anonymised IP address) is transmitted to and stored by Google on servers which may be located outside the UK.

IP Anonymisation is enabled. Your full IP address is never stored — the final portion is removed before any data is recorded, meaning you cannot be individually identified from it.

Google will not associate your IP address with any other data held by Google. You can review Google's privacy policy at policies.google.com/privacy.

Your Consent

When you first visit our website you will be shown a cookie notice asking for your consent before analytics cookies are set. You may accept or decline at that point.

You can withdraw your consent at any time by:

- Adjusting your browser settings to block or delete cookies (see below).
- Using the Google Analytics opt-out browser add-on at tools.google.com/dlpage/gaoptout.
- Contacting us directly and we will ensure analytics tracking is disabled.

Withdrawing consent does not affect the lawfulness of any processing that took place before withdrawal.

Managing Cookies in Your Browser

Most browsers allow you to control cookies through their settings. You can refuse cookies or receive an alert when one is being set. Disabling cookies may affect the functionality of some parts of our website.
